

Flights & Accommodation

Dear Family and Friends,

We know that planning for a destination wedding takes some extra coordination, and we want to make the process as simple and accessible as possible for everyone. To help with this, we've partnered with a travel agency that can provide dedicated support and special group rates. They have put together packages for guests traveling from Toronto (with limited spots available), and they can also assist guests coming from other cities with booking flights and hotels if you'd like their help.

Accommodation

We recommend that all of our guests stay at [Dreams Karibana Cartagena](#), the all-inclusive resort where we will also be staying. Being together in one place will make the week more enjoyable, give us extra time to spend with each other, and simplify logistics since transportation to and from the wedding events will be arranged from this hotel.

Key Dates

- **First wedding activity:** Monday, March 16, 2026
- **Wedding day:** Friday, March 20, 2026

****For the best experience, we recommend staying until Sunday, March 22, so you can fully enjoy the wedding party (which will go late into the night!) and still have a day to rest and recover before heading home****

Travel & Packages

For those traveling from Toronto: There are **vacation packages** with [Air Canada](#) and [Air Transat](#) that include flights, all-inclusive hotel and airport shuttle. These are usually the easiest and most cost-effective option if you haven't booked yet. These are also the packages available through the travel agency with group rates.

For those **travelling from other locations** or if you **already have flights**, you can book your trip or book the hotel separately through the travel agency or on your own through the different travel platforms.

Friends,

We would love to have all of you with us for this special week. We also understand that circumstances can sometimes be challenging. If you have any concerns, please don't hesitate to reach out to us directly. We'll gladly work together to find a solution. We're happy to help in any way we can.

With Love,
Juli & Todd
